(2) *Certain butter.* A person issued a nonhistorical license for butter for the 1997 or 1998 quota year may annually apply for a historical license (Appendix 1) for the same quantity of butter for the subsequent quota year and each year thereafter, provided that such person has used at least 90 percent of the original license issued for the previous quota year and meets the requirements of paragraph (b)(1)(ii). However, if a person is issued a historical license pursuant to this paragraph, that person may not be issued a nonhistorical license for butter for any quota year in which that historical license is issued to that person, unless applicants who do not hold such a license have all been issued such a nonhistorical license.

(c) *Exceptions.* (1) A licensee that fails in a quota year to enter at least 85 percent of the amount of an article permitted under a license, shall not be eligible to receive a license for the same article from the same country for the next quota year. For the purpose of this paragraph, the amount of an article permitted under the license will exclude any amounts surrendered pursuant to § 6.26(a), but will include any additional allocations received pursuant to § 6.26(b).

(3) Paragraph (c)(1) of this section may not apply in the case of historical or nonhistorical licenses, where the licensee demonstrates to the satisfaction of the Licensing Authority that the country specified on the license maintains or permits an export monopoly to control the dairy articles concerned and the licensee petitions the Licensing Authority to waive this requirement. The licensee shall submit evidence that the country maintains an export monopoly as defined in this paragraph. For the purposes of this paragraph "export monopoly" means a privilege vested in one or more persons consisting of the exclusive right to carry on the exportation of any article of dairy products from a country to the United States.
